

ONGOING RETAINER PACKAGE

Specialized Package

Ongoing Retainer Package – Continuous Support & Strategic Intelligence

This package provides ongoing, on-demand investigative services for clients handling multiple cases or requiring specialized intelligence. The scope is flexible and tailored to the client's evolving needs.

Core Services that include all three packages and tailored investigations to meet specific criteria:

Dedicated Investigative Team: A pre-assigned team ready to engage at any time.

Ongoing OSINT & Data Monitoring: Continuous tracking of traffickers, patterns, and intelligence updates.

Surveillance & HUMINT Operations: Scheduled and ad-hoc investigations based on case needs.

Legal Strategy & Compliance Consulting: Regular case reviews, legal briefings, and court preparation support.

Risk Assessments & Threat Analysis: Periodic assessments to identify emerging trafficking trends.

Multi-Jurisdictional Coordination: Ongoing collaboration with law enforcement, NGOs, and regulatory bodies.

Emergency Rapid Response: Priority handling of urgent cases.

Quarterly Intelligence Reports & Strategy Meetings: Regular updates and recommendations.

Benefits of Retainer Services:

Guaranteed Access to Experts – Your team always has priority access to skilled investigators.

Cost-Effective – Saves money compared to individual case investigations.

Proactive Intelligence – Stay ahead of traffickers with ongoing monitoring and trend analysis.

Scalability – Easily upgrade services as case volume increases.

Long-Term Strategy – Strengthen legal positioning with consistent investigative support.

This package ensures continuous access to high-level investigative resources for ongoing or complex cases. Let me know if you need adjustments based on your operational needs!
