

# *COLD CASE EXCLUSIVE PACKAGE*

Premium Package

## **Cold Case Exclusive Package – Premium Package**

Best for: High-profile, complex, or long-term cold cases requiring an aggressive investigative approach.

### **Scope of Work:**

All services from the Cold Case Discovery Package

Advanced OSINT & Forensic Analysis: Deep web data mining, financial investigations, and digital forensics.

HUMINT Expansion: Engages new sources, conducts undercover operations, and uses advanced interview techniques.

Covert Surveillance & Undercover Work: Monitors high-interest individuals and gathers intelligence.

Legal & Litigation Readiness: Prepares cases for legal action, including civil lawsuits or criminal referrals.

Expert Witness & Court Support: Provides expert analysis and testimony for hearings or trials.

Law Enforcement & Private Security Coordination: Works with authorities to secure arrests, recover remains, or obtain justice.

### **Deliverables:**

- Comprehensive Cold Case Dossier – Fully developed case file with cross-verified intelligence.
- Court-Ready Reports & Evidence Portfolio – Prepared for legal teams or law enforcement.
- Full Investigative Findings Presentation – In-person or virtual briefing for stakeholders.
