

*LEGAL TEAM
REFORM
PACKAGE*

Legal Team Reform Assessment Package

Ideal For: Law firms, public defenders, prosecutors, and legal advocacy groups working on human trafficking and exploitation cases.

Services Included:

Case Law Analysis – Review of precedent-setting cases to identify legal strategies for trafficking and exploitation cases.

Legal Reform Strategy – Recommendations for strengthening prosecution, defense, and victim representation.

Survivor Testimony & Case Impact Reports – Trauma-informed data to support court cases and legal advocacy.

OSINT & HUMINT Investigations – Advanced research into trafficking networks and emerging legal trends.

Policy & Legislative Influence – Guidance on legal reforms that can enhance case outcomes and victim support.

Expert Witness & Case Support – Access to legal analysts and investigators to assist with court proceedings.

Deliverables:

- Legal Reform Report with case studies and policy insights
- Investigative report supporting legal strategies
- Legislative impact recommendations
- Case briefing sessions for legal teams
